## **SB 1813 - HB 1701**

March 3, 2001

**SUMMARY OF BILL:** Urges the Department of Transportation to complete the advance planning report and begin all necessary environmental studies on the widening of US Highway 70 from 2 lanes to 4 lanes from Waverly in Humphreys County to Dickson in Dickson County

### **ESTIMATED FISCAL IMPACT:**

**Other Fiscal Impact - Urges, but does not require, the Department of Transportation to complete the advance planning report and environmental studies. For information purposes, an advanced planning report was completed for the department on this proposed road project by an outside consultant in 1996. The estimated cost of the phases of work for this road were as follows: \$5,600,000 for preliminary engineering which includes the environmental studies; \$8,748,000 for right-of-way acquisition and utility relocation; \$61,586,000 for construction.**

### **CERTIFICATION:**

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
